Please allow several weeks for balances to be transferred. You may need to continue to make payments on your existing accounts to maintain their current status. These accounts will remain open even if the entire balance is paid. You are responsible for closing these accounts if you choose. Balance transfer payments will be made pending application approval. Existing credit union accounts must be current. Amount transferred will reduce the amount of available credit on your Credit Union card account and will be treated like a cash advance. Because this is a cash advance, finance charges will begin on the transaction date. This option cannot be used to pay a loan. The Credit Union reserves the right to refuse to process any transfer request. After completing this form, please drop it by your local office or mail it to: ABECU & Divisions, Attn: Credit Card Department, 1001 Lynch Street, St. Louis, MO 63118-1803.
